The August 8, 2002, amendments added double joining language to incorporate changes to Section 11125.1 of the Government Code made by AB 1752 (Stats. 2002, Ch. 156.). These changes require the Board of Equalization (BOE) to make additional disclosures of public non-taxpayer records before taking final action on the item at its public meetings. The amendments also specify that:

? ? any open, public meeting of a state body would be required to be held in accordance with the Americans with Disabilities Act (ADA),

? ? if it would violate the discrimination provision of the ADA, a surcharge could not be imposed on persons with disabilities for requesting a copy of a public record.
